

Miso Sipola

I was born in southeast of Finland and have lived there all my life.

I have been in hunting, shooting and dogs all my life. I have had Finnish Spitz, Finnish Hound, Golden and Labradors for the past 35 years. This moment i have only Labradors at home.

Trialing, hunting and shooting are my passion!

I am deeply honoured at being invited to judge this year championships.

I wish every competitor the best of luck ...
